OUR MISSION

To improve the quality of life of people with cancer and their loved ones through lodging, information and support services.

OUR VISION

A recognized, credible and influential organization that concretely improves the quality of life of people with cancer through its services.

OUR VALUES

- Collegiality
- Respect
- Innovation
- Professionalism
- Integrity
- Commitment
- Accountability
- Leadership

MESSAGE FROM THE CHAIR OF THE BOARD AND THE EXECUTIVE VICE-PRESIDENT

The year 2005-2006 marked the launch of the Quebec Cancer Foundation's new development plan. The plan features new projects meant to enhance the services currently being offered by the Foundation. It was made possible by the fundraising campaign "*Un don de réconfort et d'espoir*" (A gift of hope and comfort), which was conducted with much gusto and enabled the Foundation to fund its expansion initiatives.

Quebec's Knights of Columbus played a central role in this year's accomplishment by successfully spearheading the fundraising campaign. When all was said and done, some 30,000 Quebec Knights had raised the impressive sum of \$1,050,000 for the Foundation.

From September 16 to 18, the Knights of Columbus knocked on the doors of countless Quebec homes and were greeted with heart-warming generosity. Thanks to these donations, the Foundation was able to complete the expansion of its network of Lodges, officially opening the Outaouais Regional Centre and Lodge in June 2006, and simultaneously announcing the inaugurations of the Regional Centres and Lodges in Mauricie and Estrie, for the fall of 2006.

Thanks to this campaign, the Foundation can now provide a total of 126 beds to people across the province who are living with cancer. This is a godsend since we already know that the need for lodging is growing. In fact, 3,440 people stayed in one or another of the Quebec Cancer Foundation's four Lodges in 2005-2006 alone.

On behalf of the Foundation and all those affected by cancer, we would like to thank the Knights of Columbus for their tremendous work, which helped sow the seeds of hope and life in the hearts of those undergoing the hardship of cancer.

Other donors also warrant our acknowledgement, in particular the Quebec Ministry of Health and Social Services, the Centre hospitalier de la Vallée de l'Outaouais Foundation, the Norman Fortier Foundation, the Centre hospitalier régional de Trois-Rivières Foundation, the J. Armand Bombardier Foundation, the Molson Foundation, the J.A. DeSève Foundation and the Fédération des producteurs de lait du Québec.

We would also like to thank the senior management of the Gatineau health and social services centres, including the Centre hospitalier de la Vallée de l'Outaouais (CHVO), the Centre hospitalier régional de Trois-Rivières (CHRTR), and the Centre hospitalier universitaire de Sherbrooke (CHUS). Thanks also go to the Agences de santé et des services sociaux for the Outaouais, Mauricie, Centre du Québec and Estrie regions, and to the Direction de la lutte contre le cancer of the Quebec Ministry of Health and Social Services.

This year, the Quebec Cancer Foundation generated revenues of \$6,257,997 – a 20% increase over the previous year. This raise includes deferred contributions of \$1,264,664. Deferred contributions are amounts specifically dedicated to the construction and extension of our new Lodges. This sustained growth allows us to start thinking about adding new services that would further improve the quality of life of people living with cancer.

These results would not be possible without the contribution of the Foundation staff and of the 500 volunteers, who, day after day, support our cause. We would also be remiss not to acknowledge the members of the Board for the important service they carry out by putting their expertise to work for the Foundation.

5

Last but not least, very special thanks go out to each and every one of our donors, because it is due to their altruism that the Foundation achieves such noteworthy results year after year. Thank you for your tremendous support and outstanding generosity.

A handwritten signature in black ink, appearing to read 'Michel Gélinas'.

Dr Michel Gélinas
Chair and Cofounder

Daniel Cauchon
Executive Vice-President

THANKS TO YOU!

SOLICITATION – DIRECT MAIL CAMPAIGN

This year, the Quebec Cancer Foundation attracted 10,777 new donors through direct mailings, increasing their overall number to 56,194 donors. In 2005-2006, the direct mail campaign generated \$2,028,794 – an increase of almost 15% compared to the previous year.

MAJOR AND PLANNED GIFTS

Over the past five years, the Quebec Cancer Foundation has focused on raising awareness about and promoting planned gifts. The annual mailing of the “Dons et Legs” calendar to notaries and other professionals working in relevant sectors represents a wonderful calling card and serves to enhance our visibility.

Given the stellar increase in the number of planned gifts, on November 26, 2006, the Foundation announced the creation of its Planned Giving Committee to be chaired by notary André Bigras, Secretary of the Foundation’s Board of Directors. This Committee will promote the development of this gift category, while bringing together the necessary expertise and ensuring that all planned gifts made through the program reflect the interests of both the donors and the Foundation.

In 2005-2006, revenues from planned gifts totalled \$711,227, a great increase compared to 2004-2005. Growth of this magnitude gives us good reason to believe that the Foundation can look forward to a bright future.

IN MEMORIAM DONATIONS

The Quebec Cancer Foundation was touched to see that more than 7,500 people honoured the memory of a loved one through an In Memoriam donation. A total amount of \$373,191 was raised through this program.

PARTNERSHIP WITH PROXIM

The Quebec Cancer Foundation was proud to formalize its partnership with Proxim drugstores on July 7, 2006. The alliance will allow both parties to pursue their respective missions, while also fulfilling a common goal – that of helping people with cancer.

The three-year partnership will enable Proxim and the Quebec Cancer Foundation to join forces in order to offer support and comfort to those living with cancer.

From left to right: Daniel Cauchon, Executive Vice-President, Quebec Cancer Foundation; Michel Chartrand, President and CEO, Proxim; Dr. Michel Gélinas, President and Cofounder, Quebec Cancer Foundation; Nathalie Larouche, Pharmacist, Vice-President of Professional Services, Proxim; Peter Drouin, Executive Vice-President, Proxim.

QUEBEC-WIDE FUNDRAISING ACTIVITIES

“UN DON DE RÉCONFORT ET D’ESPOIR” CAMPAIGN

From September 16 to 18, 2005, Knights of Columbus from all over Quebec raised the grandiose sum of \$1,050,000 during the public fundraising campaign.

8 From left to right: Jean Richard, State Deputy, Knights of Columbus; Dr. Michel Gélinas, President and Cofounder, Quebec Cancer Foundation; Marcel Gignac, Fundraising Campaign Officer, Quebec Knights of Columbus; Dr. Pierre Audet-Lapointe, Board Member and Cofounder, Quebec Cancer Foundation; and Daniel Cauchon, Executive Vice-President, Quebec Cancer Foundation.

ÆTERNA ROMANTICA

Spokesperson for the Quebec Cancer Foundation since 2004, the diva Natalie Choquette released the second instalment of her trilogy in fall 2005 with her CD *Æterna Romantica*. As with the previous opus, \$1 per album sold in the Foundation’s Regional Centres and Lodges, along with a portion of the proceeds generated by the tour, will go to the Quebec Cancer Foundation.

BENEFIT RECITAL

President of Brault & Bouthillier, Jean Brault, was the honorary chair of the 5th benefit recital for the Quebec Cancer Foundation’s art-therapy workshops, raising the splendid sum of \$20,962. Under the theme “*Mémoire en balade, ballades en mémoire*” (Wandering memories, ballads remembered), the tenor, Yves Jobin, performed many great classics that were much appreciated by the event’s 150 guests.

Entertainer of the evening Yves Jobin, in company of his two musicians during their performance.

9

THIRD-PARTY FUNDRAISING EVENTS

Every year, hundreds of citizens get involved with our cause by organizing fundraising activities in their communities. Thanks to them, \$170,170 were raised for the Foundation this year. We congratulate them for their initiative and invite others to follow suit!

Here is a sample of the various activities organized in various communities across Quebec where the Foundation has a presence:

OUTAOUAIS AND SURROUNDING AREAS

The Outaouais and Gatineau Valley RCM district of the Sûreté du Québec raised \$25,204 during its *5 à 7 affaires* held at Maniwaki’s Auberge du Draveur and its *Petit déjeuner du Commandant* held at the La Station restaurant of Gatineau.

QUEBEC CITY AND SURROUNDING AREAS

The radio station CFOM 102.9 in partnership with the Journal de Québec and St-Hubert Restaurants of the Greater Quebec City Area produced a *Calendrier des fifties*, which raised \$28,000.

MONTREAL AND SURROUNDING AREAS

The *RBC Dominion Securities Laval Golf Tournament*, organized by Francis Couillard, Jean Marchand, Richard MacDonald, Roberto Morroco, Stéphane Perron, Denis Piché and Sylvie Lessard, generated the sum of \$13,435.

ESTRIE AND SURROUNDING AREAS

The 4th annual *Brunch familial de la Fondation québécoise du cancer*, organized in collaboration with the Asbestos Knights of Columbus and chaired by Jean Boisvert, General Manager of the Asbestos Coop Métro, raised the sum of \$10,569.

MAURICIE AND SURROUNDING AREAS

The *Tournoi de golf du Commandant* organized by Michel Dauphinais and the Maskinongé Sûreté du Québec team raised \$3,000 for the Quebec Cancer Foundation.

WITH YOU!

INFORM

DOCUMENTATION CENTRE

Always abreast of the latest news on cancer, the Quebec Cancer Foundation's Documentation Centre addressed 3,290 information requests in 2005-2006, all involving research by our documentalists. In total, 5,539 reference books and 26,379 brochures produced by the Foundation were forwarded by the Documentation Centre.

In 2005-2006, the Centre also carried out many projects including the reediting of three important information brochures distributed province-wide for people living with cancer.

11

In addition, the Quebec Cancer Foundation also collaborated on a DVD entitled "*Autour des seins*" (All about breasts), an information tool on breast cancer screening. The DVD features women with breast cancer as they manoeuvre through the various experiences and worries of having the disease. Simple, real and chockfull of information, the DVD, available in several languages, helps women get to know themselves better and learn more about clinical breast exams and mammograms.

INFO-CANCER LINE 1 800 363-0063

The Quebec Cancer Foundation Info-Cancer Line received a total of 2,103 calls in 2005-2006. A specialized nurse was at the other end of the line providing information, support and reassurance to callers from every corner of Quebec.

INFORMATION PORTAL: WWW.FQC.QC.CA

The Quebec Cancer Foundation Website (in French only) has become the online reference of choice among Quebecers on the subject of cancer. In 2005-2006, 727,473 visitors clicked on www.fqc.qc.ca and 1,625,702 of our site's Web pages were viewed to search for information or consult cancer-related studies.

CONNECTING WITH THE COMMUNITY

Initiated by the Quebec Cancer Foundation, *Coalition Priorité Cancer* was born of the spontaneous coming together of non-profit organizations dedicated to the problem of cancer in Quebec.

As founding member of the group, the Foundation was proud to showcase its commitment again this year by participating in the "3rd Quebec Cancer Forum," organized by *Coalition Priorité Cancer* on April 21, 2006.

The Quebec Cancer Foundation is committed to raising awareness among policy makers on the realities of people with cancer and their loved one and on the importance of making cancer a government priority. Through its partnership with *Coalition Priorité Cancer*, the Foundation works side by side with its partners every day to influence decision makers so that cancer care coordination in Quebec may be improved.

ACCOMPANY

TELEPHONE PEER SUPPORT PROGRAM

In 2005-2006, the confidential Telephone Peer Support Program connected 134 people living with cancer to a volunteer who has experienced the same type of cancer. Once matched, peers were able to share their experiences and discuss the repercussions of the illness on their lives.

COMPLEMENTARY THERAPIES AND ADDITIONAL SERVICES

Massage therapy, art therapy, kinesiology and esthetic and hairdressing services are some of the services visitors receive from the Foundation to help them feel revitalized, rejuvenated and relaxed.

MASSAGE THERAPY

Thanks to massage therapy interns from the Guijek Institute who came to the Foundation to complete part of their training, the Foundation was able to provide 153 free massage therapy sessions to the residents of the Montreal Regional Centre and Lodge in 2005-2006.

ART THERAPY

In 2005-2006, 555 participants were able to let their imaginations run free and to express their feelings during the Quebec Cancer Foundation's art therapy workshops, at the Montreal Regional Centre and Lodge.

ESTHETIC AND HAIRDRESSING SERVICES

In partnership with the *Bel Avenir* professional training centre, the Mauricie Regional Centre and Lodge offered free hairdressing and esthetic services to its residents, helping them to feel better about themselves.

This type of service is also offered at the Montreal Regional Centre and Lodge as well as at the Quebec City Regional Centre, which also provides a wig loan service.

KINESIOLOGY

Beginning in the fall of 2005, the Estrie Regional Centre and Lodge, in partnership with Université de Sherbrooke, implemented a 45-week kinesiology program, unique to the Quebec Cancer Foundation.

Through this program, two interns were given the opportunity to develop kinesiology activities for residents of the Lodge. Residents had the chance to take part in various activities such as a walking club and weight-training sessions, and attend conferences on healthy living.

In winter 2006, an anti-lymphedema workshop was created especially for Foundation residents. The workshop, which was supervised by a kinesiologist, featured a series of exercises that promote lymph circulation in the upper limbs. After only a few days of practice, most participants noted improvements, including greater flexibility.

LODGE

LODGES

The Foundation's network of Lodges now has 126 beds available in double rooms, each with its own bathroom. Pleasant and peaceful, these rooms were designed to provide a restful environment, but also to help guests break their isolation. The Lodges, which are all located near radiation oncology centres, also feature comfortable lounges that foster exchanges among residents.

14

Outaouais Regional Centre and Lodge
580 residents

Montreal Regional Centre and Lodge
1,505 residents

Estrie Regional Centre and Lodge
858 residents

Mauricie Regional Centre and Lodge
497 residents

In 2005-2006, the Regional Centres and Lodges of the Quebec Cancer Foundation welcomed 3,440 people affected by cancer. They came from all over Quebec and encountered at our Lodges a friendly living space, useful services and warm reassurance.

FINANCIAL REPORT

AUDITORS' REPORT ON THE CONDENSED FINANCIAL STATEMENTS

TO THE BOARD MEMBERS OF THE QUEBEC CANCER FOUNDATION

The condensed balance sheet, condensed income statements, the changes in fund balances and cash flow statements enclosed were established from the complete financial statements of the Quebec Cancer Foundation as at August 31, 2006 for the year then ended. In our auditors' report on the complete financial statement dated December 1, 2006, we issued a qualified audit opinion because we could not confirm the completeness of the revenues from donations and activities. As is common with many charitable organizations, the Foundation derives its revenues from donations and activities, which, by their very nature are not susceptible to satisfactory audit verification. The fair summarization of the complete financial statements is the responsibility of the Foundation's senior management. Our responsibility, in accordance with the applicable Assurance Guideline of The Canadian Institute of Chartered Accountants, is to report on the condensed financial statements.

15

In our opinion, the accompanying condensed financial statements fairly summarize, in all material respects, the related complete financial statements in accordance with the criteria described in the Guideline referred to above.

The enclosed condensed financial statements do not contain all the required information in accordance with Canadian generally accepted accounting principles. Readers are cautioned that these statements may not be appropriate for their purposes. For more information on the Foundation's financial situation, income statements and cash flow, reference should be made to the related complete financial statements.

A GESTURE FOR LIFE

The Foundation would like to acknowledge the generous support of its donors through its donor recognition program. This program is based on a buddy system and highlights both the stages a person with cancer must go through and the progression of our donors.

The following categories reflect cumulative donations received by the Quebec Cancer Foundation.

ELDERS' CIRCLE (\$100,000 AND OVER)
